

RareCyte Image Declaration and Release Form

I, the undersigned, own the rights in any photographic image submitted herewith to the 2025 RareCyte Calendar Image Contest. I hereby consent to the reproduction and use of any such photographic image according to the following terms:

Upon entering my photographic images into the RareCyte Image Contest, I grant to RareCyte (and those authorized by RareCyte) a royalty-free, world-wide, perpetual, non-exclusive license to publicly display, distribute, reproduce and create derivative works of such entries, in whole or in part, in any media now existing or later developed, for any purpose, including, but not limited to, advertising and promotion of RareCyte and its website, exhibition, and commercial products. Any photograph reproduced will include photographer credit as feasible. RareCyte will not be required to pay any additional consideration or seek any additional approval in connection with such uses.

I hereby waive any right that I may have to inspect or approve the finished product or products or the digital or printed copy that may be used in connection or the use to which it may be applied.

I hereby release, discharge, and agree to hold harmless RareCyte, its legal representatives and assigns, those for whom RareCyte is acting and those acting with RareCyte's authority and permission, from any and all claims that may arise out of or in connection with the use of any of such photographs, or other materials, including, without limitation, any liability by virtue of any blurring, distortion, alteration, optical illusion, or use in composite or distorted form, whether intentional or otherwise, that may occur or be produced in the taking of any of such photographs, portraits, or other materials or in any subsequent processing thereof, as well as any use, reuse, publication, republication, or broadcast thereof.

I understand that this consent applies both to the duration of the contest and for the time thereafter.
